**Fall 2011 Registration Form**  
**September 12th - December 10th (12 Weeks)**

**Saturday Class Dates:**

9/17/11, 10/1/11, 10/8/11, 10/22/11, 11/5/11, 11/12/11, 12/3/11, 12/10/11

**Refunds/Withdrawals:**

A refund can only be given if we are notified no later than the day after the first scheduled class of the session. Once the second class has passed, no refunds will be offered.

**Court Assignments:**

All juniors will be placed according to their assigned grip color. This color rating is provided by our staff pros. A junior will not be moved during any part of the training session unless authorized by Junior Director Craig Johnson. However, juniors may be moved to an alternative court based on staff recommendations. All new kids to the Gripper Program will be placed according to circled color level on registration form. All new RIPPERS must be evaluated before placement into the program.

**Priority Registration:**

Because we limit the number of students on each court our program fills and it is necessary to have a system that allows for long term GRIPpers and RIPpers to be given precedence when registering. Grip N' Rip students having attended the previous session and NBTC members are allowed to register before the masses. We will notify all of these students by e-mail before all others.

**Future Enrollment Plan:**

By checking future enrollment box and by paying with a credit card or NBTC membership account children are automatically placed in the following session and no new forms need to be filled out. Credit cards on file and member accounts will be charged on the Last Day of priority registration. You may cancel anytime before the last day of priority registration without penalty.

**Joining Part Way Into a Session, Moving Courts, and Drop-Ins:**

- Kids are allowed to join at anytime during the session if space is available. The price will be prorated appropriately
- Once placed into the appropriate group or program the kids will remain in the same group until the end of the session. Graduation from one level to the next will be decided by the staff and you and your child will be notified. Requirements to graduate are posted on the website and are updated as necessary.
- Drop-Ins are not allowed due to our popularity and low student to instructor ratio

**Make-Ups and Rainouts:**

**NO** make-ups are offered based on the fact that our programs are typically full and that we strictly adhere to our low student to instructor ratio. In the event of a rainout classes will be added on at the end of the session.

**Credits:**

We will only offer credits based on approval by Craig Johnson Director of Junior Development. All credits must be used toward enrollment in the following session. Credits will not carry over after (Spring credits apply to summer, summer to fall, etc). Group Program credits may not be used toward private or semi-private lessons.

**Sunday Grand Prix 2:00 to 4:00 PM @ NBTC:**

Included in the price of the RIPper, Performance, and High School programs is the Sunday Grand Prix. We encourage all RIPpers to attend for match play experience. Some Sundays there are not matches because of Club Events. We have players play a 2 out of 3 set regular scoring match with a similar level player. This format may vary. An email is sent out each week, a response to this is mandatory because we are limited in the number of courts that we can use. First come, first serve.

All other juniors are welcome for a fee of \$15. Required Skill Level To Participate is yellow or above

**Skill Level/Grip Color:**

Please refer to our website for a complete description of what each Grip Color means. Call or email us with any questions or concerns in defining your child's grip color/skill level.
